# Sue's News

Another successful Grand Opening... Bru's Room Village of Royal Palm Beach!!!

Our newest location in Royal Palm Beach was successfully opened last month just in time for kick off!! Of course the latest addition to our family is completely decked out Bru's style!! Just like the rest of our locations you can enjoy great drink specials, our world famous wings and you will always have the best seat in the house for all of your favorite sporting events. So, stop in and check it out, we would love to see you!!

We would like to thank former Dolphin Players: Jim Jensen, Larry Ball, Troy Drayton, Bobby Harden, Harry Davis Jr. and of course Bob Brudzinski for coming out to the Coral Springs Bru's Room last month and participating in another successful charity event benefiting the Coral Springs Community Chest. You guys are the BEST!!!

Keep in mind Halloween is right around the corner so get your "spook"tacular costumes ready!! All of our locations will have a Halloween party and costume contest so ask your bartender or server what is going on at your favorite Bru's Room!!
